

BANFF 3 PERSON FAR INFRARED SAUNA

The 3-person FAR Infrared sauna is equipped with a simple yet advanced digital control system, Bluetooth Audio System, LED Chromotherapy Mood Lighting, and an aromatherapy system. 9 FAR Infrared Mica Heaters work to ensure that heat is distributed quickly, evenly, and efficiently to help achieve the maximum benefits of a full body sauna treatment while keeping energy costs low.

A natural Canadian hemlock wood construction adds a calm, earthy feel that will compliment any décor, while dual-wall construction ensures that your sauna is well insulated. All Canadian Spa Company Saunas are designed to exceed the safety standards required for an infrared sauna, and maintain competitively low levels of EMF.
